BENEFITS & FEATURES

- Heat-treated steel for high tensile strength and high shear strength
- PocketMaster™ comes with an extra long type-17 cutting flute for less splitting, cracking & bursting
- Original Robertson® Square drive for better bit fit and less slippage
- 3 Thread Styles to choose from:
 - Fine threads provide easy driving and maximum strength in hardwoods
 - Deep threads offer easy driving and maximum hold in soft wood
 - Hi-Lo™ threads are designed to be the perfect solution for all applications.
